SCHOLARSHIP REQUIREMENTS

Annual Scholarships (payable each semester) will be awarded up to a maximum of two applicants. All scholarship funds will be distributed directly to the financial aid office. Funds will be applied towards the following expenditures: tuition and general fees, expenses for room and board, books and lab fees.

The funding of the HGA Scholarship is expressly contingent upon verification by the recipient of acceptance as a full-time Bachelor's Degree candidate in an accredited four-year college or university. A full time student is defined as one who is enrolled in 12 or more hours per semester.

The recipient and college must notify the HGA Scholarship Committee if the recipient's course load drops below 12 hours. Recipient shall at that time forfeit the right to future scholarship benefits. Extenuating circumstances shall be directed to the HGA Scholarship Committee for re-evaluation of continued funding. Any funds not distributed by the college's financial aid office shall immediately revert to the HGA Scholarship Program and remittance is due within 30 days of such notification.

If the scholarship recipient receives full assistance from other sources (i.e full scholarship) the HGA reserves the right to and may revoke any commitment to extend scholarship benefits.

A recipient must maintain a cumulative 2.5 or equivalent grade point average to be eligible for renewal of the scholarship each semester. The college must submit such confirmation to the HGA Scholarship Committee prior to receiving any funds.
